About Fintel:

Fintel is the UK's leading fintech and support services business, combining the largest provider of intermediary business support, SimplyBiz, and the leading research, ratings and Fintech business, Defaqto.

Fintel is the leading provider of digital, data led and expert services to product providers, intermediaries and consumers to help them navigate the increasingly complex world of retail financial services. Fintel provides technology, compliance and regulatory support to thousands of intermediary businesses, data and targeted distribution services to hundreds of product providers and empowers millions of consumers to make better informed financial decisions. We serve our customers through three core divisions.

The Intermediary Services division provides technology, compliance and regulatory support to thousands of intermediary businesses through a comprehensive membership model. Members include directly authorised IFAs, directly authorised mortgage advisers and wealth managers.

The Distribution Solutions division delivers market Insight and analysis, product design and compliance and targeted distribution solutions to financial institutions and product providers.

The Fintech and Research division comprises Defaqto which provides market leading software, financial information and product research to product providers and intermediaries.
