Notes to Editors

Fintel is a leading fintech and support services business, combining the largest provider of intermediary business support, SimplyBiz, and the leading research, ratings and fintech business, Defaqto. Fintel provides technology, compliance and regulatory support to thousands of intermediary businesses, data and targeted distribution services to hundreds of product providers and empowers millions of consumers to make better informed financial decisions. We serve our customers through three core divisions:

The Intermediary Services division provides technology, compliance, and regulatory support to thousands of intermediary businesses through a comprehensive membership model. Members include directly authorised IFAs, Wealth Managers and Mortgage Brokers.

The Distribution Channels division delivers market Insight and analysis and targeted distribution strategies to financial institutions and product providers. Clients include major Life and Pension companies, Investment Houses, Banks, and Building Societies.

The Fintech and Research division (Defaqto) provides market leading software, financial information and product research to product providers and intermediaries. Defaqto also provides product ratings (Star Ratings) on thousands of financial products. Financial products are expertly reviewed by the Defaqto research team and are compared and rated based on their underlying features and benefits. Defaqto ratings help consumers compare and buy financial products with confidence.
