Simplybiz Mortgages reports growth in total lending and market share

Simplybiz Mortgages, part of Simplybiz, a subsidiary business of Fintel (AIM: FNTL), is pleased to report strong growth for last year in both its total lending and overall market share.

These financial metrics, which were recently published as part of Fintel's FY24 results, show an increase in Simplybiz Mortgages' market share from 4.50% in 2023 to 4.68% in 2024.

There was also a reported rise of 3.72% in Simplybiz Mortgages' total lending figures, growing from £22.85bn in 2023 to £23.7bn in 2024, demonstrating an outperformance of the overall lending market, which dropped by 0.86% during 2024.

Martin Reynolds, CEO of Simplybiz Mortgages, commented:

"We're pleased to report such positive performance from Simplybiz Mortgages, especially in the midst of a cautious, but recovering, market. The whole team works hard to ensure we listen to feedback from our members and provide solutions that help them deliver the best service to their clients. This year-on-year growth is indicative of our position at the forefront of the sector, and our objective of delivering better financial outcomes to all."

Notes to Editors:

Fintel plc

Fintel is a UK fintech and support services business, combining award-winning intermediary business support services, and leading research, ratings and fintech businesses.

Fintel provides technology, compliance and regulatory support to thousands of intermediary firms, data and targeted distribution services to hundreds of product providers and empowers millions of consumers to make better informed financial decisions. We serve our customers through three core divisions:

The **Intermediary Services** division provides technology, compliance, and regulatory support to thousands of intermediary businesses through a comprehensive membership model. Members include directly authorised IFAs, Wealth Managers and Mortgage Brokers.

The **Distribution Channels** division delivers market Insight and analysis and targeted distribution strategies to financial institutions and product providers. Clients include major Life and Pension companies, Investment Houses, Banks, and Building Societies.

The **Fintech and Research** division (Defaqto) provides market leading software, financial information and product research to product providers and intermediaries. Defaqto also provides product ratings (Star Ratings) on thousands of financial products. Financial products are expertly reviewed by the Defaqto research team and are compared and rated based on their underlying features and benefits. Defaqto ratings help consumers compare and buy financial products with confidence.
